

Do You Have A Valuable Car Or Vehicle? Store It At My Place... How To Redeem This Offer.

Just take a screenshot or image with your phone's camera and when you book remotely include it in your email or when you come in just show us.

Cleaner, Drier, And More Secure Self-Storage.

Masterton Self-Storage has 240 purpose-built modern construction lockups including 27 different sizes. 69 out of 240 lockups are the same size as a single-car garage (SCG) and perfect for storing precious vehicles.

Every SCG lockup is **individually** security-alarm monitored 24/7 and there are 17 CCTV cameras with infrared for night-time imaging watching over every and all nooks and crannies of the storage facility.

This means it is unlikely there is anywhere in the Wairarapa more secure to store the valuable stuff that is important to you than our place, plus your insurance company will love it too.

All offers are environmentally friendly, are carbon neutral, contain no sugar, and only have a few calories. I.e., Very healthy.
